WHAT IS THE AFGD?

In common with many Diocese in Australia a fund has been established to assist development within the Grafton Anglican Diocese. AFGD accepts funds from individuals and parishes and lends to parishes and Anglican institutions for developmental purposes.

HOW DOES AFGD ASSIST THE DIOCESE?

The AFGD makes a substantial financial contribution to the Diocese each year and has given increased contributions over recent years. These contributions assist with the funding of ministry through the Diocesan Budget.

Direct Debit Agreement

Definitions: 'account' means the account held at your financial institution from which we are authorized to arrange for funds to be debited. 'debit day' means the day that payment by you to us is due. 'debit payment' means a particular transaction where a debit is made. 'Direct Debit Request' (DDR) means the DDR between you and the AFGD. 'us or we' means the AFGD. 'you' means the customer who signed the DDR.

Debiting your account. By signing a DDR you have authorized us to arrange for funds to be debited from your account. If the debit day falls on a day that is not a business day, we may direct your financial institution to debit your account on the following business day. You should refer to the DDR and this Agreement for the terms of the arrangement between you and us.

Changes by us. We may vary any details of this agreement of a DDR at any time by giving you at least fourteen (14) days written notice.

Changes by you. If you wish to stop or defer a debit payment, you must notify us in writing at least 14 days before the next debit day. You may cancel your authority for us to debit your account at any time by giving us 14 days notice in writing before the next debit day.

Disputes. If you believe that there has been an error in debiting your account, you should notify us directly on 02 6642 4480 and confirm that notice in writing with us as soon as possible so that we can resolve your query more quickly.

Confidentiality. We will keep any information (including your account details) regarding your DDR confidential.

Your obligation. It is your responsibility to ensure that there are sufficient funds available in your account to allow a debit payment to be made in accordance with the DDR. If there are insufficient funds in your account to meet debit payment you may a) be charged a fee and/or interest by your financial institution b) also incur fees or charges imposed or incurred by us and c) you must arrange for sufficient funds to be in your account by an agreed time so we can process the debit payment.
