

Dear Member(s)

***New 'AFGD Online' transaction website coming soon!***

Anglican Funds Grafton Diocese is pleased to advise an enhanced 'AFGD Online' transaction service is due for release soon.

We are really pleased with the new look and added functionality designed to make transacting with us easier. You will access the new site in the same way that you currently access 'AFGD Online' by going to our website [anglicanfundsgraftondiocese.com.au](http://anglicanfundsgraftondiocese.com.au) and clicking on the 'Login to your account' link. Your 'Customer Number' and 'Password' remain the same.

Some of the new features include;

1. Email notification of transactions or account changes.
2. The ability to change your address details online after an SMS notification validation.
3. You can choose your preferred account settings.
4. More information to help you with your queries such as a display for uncleared funds, account owner information and interest earned over multiple periods.
5. A message service so you can send us emails securely.
6. A session history section to confirm changes to the account or transaction confirmation.

Security features have also been enhanced so it is important for us to have correct telephone and email address information for all signatories to accounts, this includes 'View Only' users of 'AFGD Online'. Changes include a Secure SMS Validation feature before you update a change of address or finalisation of a transaction. **If you need to update your contact details prior to the new 'AFGD Online' going live, please contact the friendly AFGD Team today.**

The new look service is due for release early October 2017.

Please feel free to share this news with other users of 'AFGD Online'.

If you have any questions please contact us on 1800 810 919 (NSW Only) or 02 6642 4480 and we are happy to help.
